To,

The Finance Secretary,
Goverment of Uttar Pradesh,
Lucknow, Uttar Pradesh.

Sir,

Sub: Contribution of State Government from the State TDS during F.Y. 2008-09

Please find enclosed a copy of D.O.F.No.380/01/2009-IT(B) dated 23.11.2009 alongwith its enclosures being statement giving details of Tax Deducted at Source (TDS) contributeds by the Goverment of Uttar Pradesh which is just Rs. 226.25 Crores in the F.Y. 2008-09.

Considering the volume of development work by various departments under the State Government, the TDS collection of Rs. 225.25 Crores is very small and quite insufficient.

This calls for co-ordination and to impress upon the departments under the State Government of Uttar Pradesh and subordinate field formation to comply with the provisions of TDS/TCS so as to optimize the collection from state TDS.

Encl. As above.

Yours faithfully,

D.O.F.No.-380/01/2009-IT(B)

New Delhi, the 23rd November, 200

Dear Chief Commissioners/Director General of Income Tax,

Please refer to Chairman's D.o. of even number dated 23rd October, 2009, giving details of collection in the cadre controlling region and some strategies to maximize it. As on 21st November, 2009 the direct taxes collection stands at Rs. 1,83,675 crore at a growth rate of 2.5%. However, to achieve the stiff target of Rs. 4 lakh crore given to us by Finance Minister, the revenue mobilization should grow at the rate in excess of 18.3% . Therefore, the need to galvanize the field formations to meet this stiff target cannot be over emphasized. Besides the steps outlined in the letter dated 23rd October, 2009 I would like you to take into account the following strategies to maximize collections :-

1. Analysis of published/unaudited results (up to 30-09-09) of top 50 corporate assessees of your region may be got made by the AOs to ascertain the reasons of mismatch between the current tax expenses provided in the accounts and advance tax paid so far.

2. The colection from TDS is sluggish. I have already reqested DG (Systems) to provide a list of top deductors who have deduted tax at source but not deposited. in such cases prosecution proceedings may be initiated immediately.

3. Enclosed please find the detalils of contribution during 2008-09 from the State TDS from various State Government. As evident, the total contribution from State TDS is only Rs. 2960 crore. This is quite insuficient considering the volume of developmental works being carried out by the various Deprtments under the State Governments. You are requested to coordinate closely with the Finance Seretaries of the State Governments to impress upon them the neessity of compliane to the provisions of TDS/TCS and thereby optimize collections from StateTDS.

4. I have been informed that DGIT (System) has recently sent you a list of e-filed cases in which assesses, though having claimed payent of self-assessment tax in the returns, but actually have not paid it. You are requested to immediately take neccessary action against such errant assessees.
